*"Cities of Peace" honors the history and culture of various cities that have experienced major conflict and trauma, including Jerusalem, Baghdad, Kabul, Beijing, Hiroshima, New York, and Lhasa. Frank's visit to Jerusalem in 1999 inspired her to produce the first painting in the series and to visualize the creation of other works representing additional cities that have survived strife. The series directs action through hopeful energy by celebrating the best of the human spirit, transforming anguish into beauty. Cities of Peace was produced at the Illumination Atelier in East Hampton, New York, by interns from China, Korea, Colombia, Estonia, Japan, Poland, Hong Kong, Canada, and the United States, under the artistic direction of Ellen Frank. Works devoted to Monrovia, Sarajevo, Hanoi, Dresden, Beirut, Seoul, Warsaw, and other cities will continue the project. This exhibition marks the debut of work by the Illumination Atelier.*
